

From Learning to Leading

Faith | Service | Values

“A family that fosters excellence.”

Founded in 1960 in the Catholic tradition, Immaculata Regional High School offers grades 8 through 12 with the highest standards. We are an educational community, pursuing excellence and developing the whole person while striving to see and bring forth Christ in others.

International Students

Activities | Academic Supports | English Language Learners Course | IELTS | Homestay Families | Insurance | University Entrance Support

International student programs ranging from multi-year University preparation to full year and short term programs running through the school year. Summer programs designed specifically for the requirements of the group.

Homestays

Carefully chosen school families & friends of the school who are engaged and committed to the program.

“When I was studying at Immaculata, there was always someone that supported me and made me feel welcome.

You will make relationships with kids from all over the world like Spain, Japan, China, Chile, Switzerland, and Australia. Of course, the local kids are very friendly too. Immaculata is a small independent school, so it is easier to make friends from different grades. Everybody knows everybody.

The school gives you the opportunity to do community service, which is a great experience, because you meet a lot of people from the Kelowna community while you are helping people with needs.

Also, the international program includes trips with international students to the mountain, to the lake and a whole bunch of fun outdoor and indoor activities.

I recommend this school for all those reasons.

You'll have one of the best experiences of your life!”

Pablo Romero Novelo

“We think that Immaculata Regional High School and Kelowna, B.C., was the best option for us. The School has a small community which is perfect for the kids because the teachers are aware of them, the facilities are great and the International Program is an excellent experience for the kids.”
