Art Studio 11/12 (Griffin) promotes intellectual development by expanding students' capacities for creative thought and encouraging critical-thinking skills such as curiosity, open-mindedness, persistence, and flexibility. Students maintain an art journal and continue to be exposed to a variety of mediums that reinforce the principles and elements of art and design, including, but not limited to, charcoal and pastels, clay, paper mache, watercolour/acrylic/oil/spray paint, sculpture, wire, ink, and mixed media. Images are created, communicated, responded to, and perceived within personal, social, cultural, and historical contexts, and each project is completed with a personal reflective artists' statement. Through studio/classroom work, visits to artists' studios and postsecondary institutions, students gain a better understanding of the role and commitment required to be a successful artist. Students gain increasing confidence in their abilities as artists. In-depth exploration of drawing and painting, printmaking and sculpture enable the creation of work for the annual year-end exhibition.

****Social Justice 12 and Creative Writing 12** will be offered if there is enough interest. Social Justice will be offered outside of the timetable at 7:00 AM.

*****Introductory Spanish 11** The Ministry of Education considers Introductory Spanish 11 a grade 11 language course. However, not all universities recognize a grade 11 "Introductory" language course a grade 11 language course. Therefore, if your child is taking Introductory Spanish 11 next year and is hoping to use the course as a language requirement to enter a program at university, **double check with the university that an "Introductory" level language course meets the university's requirements.**

The **Mustangs Sports Academy** class will be offered after school, at various times, but generally on Tuesdays and Thursdays, before or after school. If you are interested in the Mustangs Sports Academy, please download that application from the school's website:
