

**IRHS**  
**Student-Daily Health Check Form**

*(Please complete and bring this form to school first day of the week)*

Student's name: \_\_\_\_\_  
First and Last Name

Date: \_\_\_\_\_  
dd/mm/yy

It is required that during Stage 2 all students undergo a daily health check. It is imperative that during the pandemic students who display symptoms of illness are not sent to school.

Parents, please ensure that the student identified on this form:

- does not have cold, flu, or COVID-19-like symptoms, **even mild ones**.  
(Symptoms include but not limited to: fever, chills, cough, sore throat and painful swallowing, stuffy or runny nose)
- has not travelled to any countries outside Canada (including the United States) within the last 14 days.
- was not in **close contact** with a person with confirmed COVID-19.
- was not administered medication to mask COVID-19 symptoms.

If your child has symptoms, has travelled outside of Canada, was in close contact with a confirmed COVID-19 case, and/or was administered medication to mask symptoms of illness then he/she cannot attend school and may need to isolate themselves for 14 days. Please call 8-1-1 or talk to a health professional to determine when it is safe for your child to return to school.
